

Essential Notice: Change of Bureau Veritas ADT's e-mail address

A D T

For the sake of enhancing resource-sharing with the Bureau Veritas Group (hereinafter "Group") to offer faster and more services to clients, Bureau Veritas ADT ("Company") is integrating its system to the Group's. Accordingly, the e-mail addresses under the Company's domain name are being shifted to the Group's. Please be informed of the following items:

- (1) The domain name of the e-mail address (the part after the @sign) is changed from adt.com.tw to tw.bureauveritas.com.
- (2) The username of the e-mail address (the part before the @sign) is changed depending on the account owner, who will inform his/her clients of the change respectively. However, in most case, the account owner can keep his/her original usernames but changes "underline (_)" to "dot (.)", ex. abc_xyz@adt.com.tw may be changed to abc.xyz@tw.bureauveritas.com.
- (3) E-mails sent to old addresses will be forwarded to new ones automatically.

To keep contact information correct and up-to-date, please kindly modify your address book when you receive the notice from the Company's staffs.

Many thanks for your long-term support and hope to continue to be of service to you.

Bureau Veritas ADT • service@adt.com.tw • <http://www.adt.com.tw/>

Bureau Veritas ADT has acquired the excellent reputation at the field of testing and certification services since the foundation in 1988. In order to remain competitive, we keep developing new services that cover **EMC, Safety, RF, Telecom, DTV, Wi-Fi, WiWAX, NCC Certification testing, ErP (EuP)**, etc. Our aim is providing the comprehensive services to our customers, which we call "One-Stop Service".
