

## Notice: SRD Type Approval Certificate Expiration Date in Kingdom of Bahrain becomes One Year

Kingdom of Bahrain Ministry of Transportation Directorate of Wireless Licensing Frequency & Monitoring (DWLFM) has just announced the Circular no. DLM/GEN/18/952: Issue Type Approval certificate for Short Range Device (SRD).

### **Circular no. DLM/GEN/18/952 details:**

From 2<sup>nd</sup> June 2010, Type Approval for SRD shall normally be granted for a term of One Year. A renewal fee is payable to keep a registration in effect. Application for renewal shall be made at least one month before the expiry date.

The DWLFM reserves the right to cancel the Type Approval at any time there it has reason to believe that the relevant regulations and technical requirements have not been observed.

With regard to products that had already been approved, those who have obtained type approval for a certain devices that were previously not carry an expiration date, should contact the Directorate (via Bureau Veritas ADT) within a period not exceeding 3 months from the date of this circular.
