Dear Dr Chen

PROPOSAL FOR REGISTRATION AS A DESIGNATED TESTING LAB UNDER THE SPRING-BSMI EE MRA – LIN KOU LABORATORY, TAOYUAN BRANCH, BUREAU VERITAS CONSUMER PRODUCTS SERVICES (HONG KONG) LIMITED

Thank you for your proposal (Ref No: 09930000800) dated 27 January 2010 and received on 18 Feb 2010. We note that the proposal was for our consideration to register Lin Kou Laboratory, Taoyuan Branch, Bureau Veritas Consumer Products Services (Hong Kong) Limited as Singapore's Designated Testing Laboratory under the SPRING-BSMI EE MRA to test 18 Controlled Goods (CGs) for the Singapore Consumer Protection (Safety Requirements) Registration Scheme.

We have evaluated the proposal against the provisions stipulated in Article 7 of the SPRING-BSMI EE MRA. We are pleased to register Lin Kou Laboratory, Taoyuan Branch, Bureau Veritas Consumer Products Services (Hong Kong) Limited as the Designated Testing Laboratory to test 18 CGs as shown in Annex A for Singapore. As we note from the Certificate of Accreditation that the accreditation of Lin Kou Laboratory, Taoyuan Branch, Bureau Veritas Consumer Products Services (Hong Kong) Limited has only approximately 1½ year validity period (i.e. valid from 7 August 2008 till 6 August 2011), therefore, we propose to register the laboratory till 6 August 2011. We will be pleased to extend the registration date when we receive a new certificate of accreditation issued by TAF for the applicable scope.

Please let us know if the above proposal is acceptable to BSMI.

Thank you.

Yours sincerely
